CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Cintia Leanos Marquez is a CDH Category B provider living in Des Moines. Cintia has a one story home with a basement though uses only the main floor for her child care operation. Cintia has been registered with the State since 2018 Cintia is fluent in Spanish. Cintia had 6 children in care during the time of my compliance check. Cintia is able to provide care to any age of children.

2. Identify Observed Strengths Of The Program

Cintia was within allowable numbers of children during our compliance check. She displayed good multi-tasking abilities during the time I was present. With the help of a translator Cintia was able to communicate and assist me with the compliance check while also addressing the needs of a 9 month old. Cintia has cribs available for the infants in her care. Cintia files were organized, trainings were up to date and postings were current. Cintia has good control of her environment.

3. Identify The Aspects That Fall Below The Standard

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

I encourage Cintia to continue working with Roxanna Sixtos from Child Care Resource and Referral for any ongoing compliance or training needs. Roxanna can be reached at: (515) 202-1310. I reviewed safe infant sleeping policies with Cintia. She has adequate cribs available for her infants under 12 months.
