The program's management team (Ms. Dupont and Ms. Bach) is organized and has noteworthy systems of organization in place to help ensure administrative items are completed as required and maintained in a secure

manner. As a result, the program experiences smooth daily operations. Ms. Dupont and Ms. Bach are knowledgeable of licensing guidelines as well as their own program's policies and procedures.

Since the last review, Trinity Lane Preschool retained several staff as well as hired 2 new ones. Staff are seasoned, reliable and reported celebrating 13 years, 11 years, and 10 years with this program. Congratulations on staff longevity! Staff appreciation and recognition events continue to be part of the program's successful operations.

Since 2022, Asbury United Methodist Church continues their mission and ministry partnering with Trinity Lane Preschool which is run by Lovely Lane United Methodist Church. Trinity Lane Preschool governed by an advisory board of directors. Members include persons from Lovely Lane United Methodist Church and Asbury United Methodist Church. All church administration, board members, custodial persons and preschool teachers help ensure the program space is sanitary and hazard free each day.

Building and grounds are in good repair. In 2023, the program obtained an updated outdoor playground space. Classrooms continue to be arranged in a thoughtful manner with learning at the forefront. Children's accomplishments (e.g. artwork, Apple Paper Plate Project, Clever Itsy Bitsy Spider straw work!) are displayed in various areas of the program space. The program's primary curriculum is Creative Curriculum incorporating on-site guest speakers, enrichment experiences and teacher inspired ideas. These events have included visits from the library (e.g. Cargill Cares), Chapel Time, Kids Sight, Orchestra Iowa Symphony experiences, seasonal events (e.g. a local farm trip, Apple Orchard trip), sports skills work, and music/dance group.

Trinity Lane Preschool continues efforts at optimal communication between the program/staff and families. The program has organized parent-staff/program information areas, offers regular program newsletters, utilizes technological communication resources, and supports family programming activities. The program has a history of offering a variety of special events throughout the academic year including new family orientation, fall open house, family nights, staff/family conferences, and preschool graduation celebration. Trinity Lane Preschool also sponsors an on-site lending library for families and children to "check-out" books. During the 2023-2024 school-year, Trinity Lane provided an internet safety parent seminar to families. Ms. Dupont reported future goals include formalizing steps of PBIS and communicating this with families as well as help create a moms group for preschool families to increase community and support.

Trinity Lane Preschool has emergency plans, policies, and procedures in place which are annually reviewed and updated as needed. The program successfully navigated through the 2008 historic Linn County flood, 2019 winter Polar Vortex, 2019 health (covid-19) pandemic, 8/10/20 Derecho Storm, 2021 food supply issues, 2022 infant formula shortages, 2023 air quality alerts and 7/19/24 global technology outage. It's also noted that at one point - Trinity Lane Preschool and Lovely Lane Preschool and Daycare had to seek relocation 6 times in approximately 24 months.

Trinity Lane Preschool collaborates well with those throughout the community including local school districts, early access persons, local businesses, nearby independent living center, CCR&R, and health professionals. Trinity Lane Preschool continues to successfully partner with the Cedar Rapids Community School District to provide a 4-year-old statewide voluntary preschool program. Trinity Lane Preschool also continues to enjoy visiting those at the Asbury House for holiday/seasonal parades and events including May baskets. Trinity Lane Preschool additionally applied for and received a grant to partner with and use a child care management system.

Each child is engaged in a daily health check upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. The program has policies and procedures in place for hand washing, cleaning, sanitizing and disinfecting. Cleaning checklists and daily sanitation reminders were observed to be posted in various areas of the center.

On the day of the monitoring visit, staff were nurturing and attentive to the children's needs. Areas of study included "fall". Children had access to an array of materials (e.g. books, imaginative play options, crafts, sensory items, building materials) that encouraged innovative play. In the 2yo room, quiet music could be overheard as children engaged in play. In the 3yo room, a very unique staff-hand-made market and food truck was observed being greatly enjoyed by children! In the 4yo room, a clever indoor mini garden had been created for play. Staff shall be commended on their ability to create such inviting classroom environments and play opportunities! Activities observed were many including center play experiences (e.g. finger puppets, sensory with play dough, musical instrument playing, open crafting, small book reading group, imaginative home living play) and outdoor large gross motor play. Staff provided a companionable presence allowing children to have many choices in their play experiences. Staff communicated well with children verbally, with picture cues and through modeling. Routine transitions (e.g. clean-up, snack activities, indoor/outdoor movements) worked smoothly into the program's welcoming and cooperative play environment. Staff were overheard providing children with many words of encouragement, engaging children in much meaningful discussion and encouraging social graces. Children responded well to staff and appeared to be truly enjoying their day.
