1. Basic Overview

Nyanyu Afaray has been a registered provider since 6/1/2023. Nyanyu is currently a category "A" Child Development Home Provider. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. Nyanyu is available to provide care for families 24 hours a day 7 days a week. Nyanyu currently does not have any families on her care roster. Nyanyu is able to provide transpiration for families in her care. There are no pets in the Child Development Home currently. Nyanyu does not have an assistant or substitute for her program.

2. Identify Observed Strengths Of The Program

Nyanyu's home is clean, sanitary, and appropriate for childcare. Nyanyu has completed her required trainings as reviewed by the Registration Unit. Nyanyu has completed Safe Sleep training; this worker reviewed the policy with her with the

translator. Nyanyu will implement the practice when she has children 12 months or younger in her care. Nyanyu uses Time Out and redirection as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Nyanyu's care will receive regular meals and snacks as appropriate. Nyanyu's paperwork is easily accessible and organized.

3. Identify The Aspects That Fall Below The Standard

Each smoke detector has been installed according to manufacturer’s recommendations.
110.8 (4) b : Procedures are in place for:Evacuation to safely leave the facility,Relocation to a common, safe location after evacuation,Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue,Lock down to protect children and providers from an external situation,Communication and reunification with families,Continuity of operations, andProcedures to address the needs of individual children, including those with functional or access needs.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.

1. During the compliance check a smoke detector was beeping indicating the battery needs to be changed. If the detector continues to beep after changing the battery the detector needs to be replaced.

2. The Emergency Preparedness Plan needs to be updated and easily accessible. This worker has emailed a fillable Emergency Preparedness Plan template to use. This worker referred you to your CCR&R Worker who can assist with this update.
Have procedures in place for the following:
• Evacuation to safely leave the facility
• Relocation to a common, safe location after evacuation
• Shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
• Lock down protocol to protect children and providers from an external situation
• Communication plan and plans for reunification with families
• Plans for the continuity of operations
• Procedures to address the needs of individual children, including those with functional or access needs

3. Your DHHS Medical Provide Forms have expired. Any household member 18 years or older needs to have a form completed by a medical professional. This worker left 2 blank forms for you to take to your medical provider.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

None.

5. Special Notes/recommendations

I encourage you to work with your Child Resource and Referral Worker (Traci Honold 515-802-8163) with any compliance or training efforts.

Send a copy of the Emergency Preparedness Plan when it is complete within 30 days of receiving this letter. The above corrections need to be completed by 10/4/2026 unless otherwise noted and will be reviewed on your next annual compliance check.

If you have any questions regarding this letter, please contact me at 515-601-9469 or jake.aringdale@hhs.iowa.gov.
