CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Amy Leverson on 5/26/2026. Amy has been involved in child care for 28 years. She continues using the main floor only of her ranch style home. Amy uses the open living room, kitchen, and dining room as her primary space. She has a couple of bedrooms that can be used for napping. Amy had 7 children present during our visit and is caring for a total of 10 at this time. (A couple of the children are part time.) Amy has no HHS-approved substitutes, and one HHS-approved assistant. She has one pet dog with a current vet statement on file. Amy uses a large, open back yard as her outside play area. She is due to renew her registration effective 9/30/2027.

2. Identify Observed Strengths Of The Program

Amy has many years of experience. She serves several 2nd generation children and describes how her families trust her care. She maintains a clean and clutter free environment. Amy has lots of free play every day. She does not maintain a set schedule, but keeps her activities rather child-led. The children enjoy many of the traditional activities such as coloring, arts, crafts, music and lots of outside time as weather permits. Amy participates in the Food Program to enhance the nutrition of her snacks and meals.

3. Identify The Aspects That Fall Below The Standard

110.9 (2) c : Certification of two hours of approved training relating to identification and reporting of child abuse within six months of employment.
- Amy needs to obtain a current certificate of the Mandatory Reporter training for her assistant Bruce which recently expired. This needs to be in place by 8/31/2026 and will be reviewed during her next visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Amy was in compliance having a plan consistent with her current operation.

I encourage Amy to work with Teri Orr from Child Care Resource and Referral with any ongoing compliance or training needs.
Teri can be reached at: (319) 433-7750

Amy had 2 infants under 12 months of age who were awake during our visit. She has pack-n-plays for napping and we reviewed safe infant sleeping policies.
