Licensing Consultant: Amy Lyons **Date:** 01-23-2025

I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

Not applicable. This is a new site which commenced operations 8/23/2024.

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

In 2022, KCE Champions LLC opened several licensed childcare programs in Linn County expanding into non-metropolitan areas in 2024. Specifically, KCE Champions LLC @ Springville Elementary School commenced operations on 8/23/2024. KCE Champions LLC @ Springville Elementary School is located inside Springville Elementary School which is part of the Springville Community School District. The program primarily operates Monday through Friday before and after school hours 6:30am to 6:00pm. KCE Champions does have the ability to extend hours on scheduled early release days, emergency late start days, and emergency early-out days. During the summer, full days of emergency closing (example snow day), and some breaks (holiday and spring), this site has the ability to operate full days and/or combine for full days of care at another KCE Champions LLC Linn County location. KCE Champions LLC @ Springville Elementary School serves school-age children. Current enrollment is 8.

Multi-site regional manager Setara Sous has a BA in criminology, has 6 years experience working within this childcare corporation, participates in child development related training and been director qualified since January 2024. Multi-site director Bethany "Bree" Hogue has been with the program since operations commenced in 2022. Ms. Hogue is completing an AA degree in early childhood education, has several years of experience working in children, and continues to participate in child development related training. On-site supervisor (OSS) is Kristina Schuring. Ms. Schuring has been the OSS since January 2025. Ms. Schuring has experience working with children and participates in child development related training.

On 1/10/25, program space was observed.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

KCE Champions LLC @ Springville Elementary School is located inside an elementary school in a predominantly rural community. The profit program provides a variety of early learning and childcare opportunities as well as accepts many different of funding sources to help meet the needs of children and families throughout the community.

KCE Champions LLC @ Springville Elementary School has established the following website for families and the community to learn more about the program: https://crschools.us/students-and-families/quick-links/champions/.

According to the family and employee handbook, the philosophy of KCE Champions LCC is that "...learning is meant to be a natural, joyful experience. Our goal is to help your child develop socially, emotionally, physically, and intellectually. Children thrive when the process of discovery is lovingly encouraged and gently reinforced..." KCE Champions LCC is a division of KinderCare Education. The history of how KCE Champions LLC came to fruition and evolved to present day (including 1969 KinderCare Learning Centers founded, 1998 corporate headquarters moved from Montgomery Alabama to present-day Portland Oregon, 2003 KCE Champions LLC joins KinderCare Education, 2013 KinderCare launches its Early Foundations proprietary curriculum) is impressive. KinderCare Education serves more than 186,000 children in 40 states, and Champions specifically serves more than 40,000 of those children in 21 states and Washington, D.C. Champions partners with principals, teachers, and parents to create more than 600 before- and after-school and year-round learning environments.

In 2021, KinderCare Education earned a fifth Gallup Exceptional Workplace Award - one of only four companies worldwide to receive this aware five years in a row. Champions has made a continuous commitment to earn and re-earn Corporate Accreditation from Cognia a global leader in advancing excellence in education through accreditation.

Management (e.g. regional manager Setara Sous, multi-site director Ms. Hogue, OSS Ms. Schuring) has systems of organization in place to help ensure administrative items are completed and maintained as required. Management is knowledgeable of licensing guidelines as well as their own policies and procedures. Management has reported holding regular staff meetings to review rules, policies and procedures. Ms. Hogue also acknowledged how her team of staff have started volunteering quarterly at St. Luke's Hospital helping prepare and provide home cooked meals for patients. Ms. Schuring reported working hard to build relationships with Springville children, families and community.

KCE Champions LLC has established and is working to maintain optimal communication between the program/staff and families. The program has a parent-staff/program information center, utilizes technological communication resources, and supports family programming activities. Prior to each school-year commencing, KCE Champions LLC sponsors a "Champions Family Night" at a local park with food and various activities including face painting to welcome new and returning families to the upcoming school-year. Summer camp enrollment begins in early January each year. 2025 summer programming will include experiences in swimming, hiking, kindness, wellness, arts and crafts and program built boat races.

KCE Champions LCC school-age curriculum focuses on six content areas that research shows enhance school-age children’s growth and development as well as help build the essential skills needed to be successful in elementary school and beyond: Character Development, Community, Creative Expression, Executive Function, Inquiry-Based Learning, and Literacy. The program provides child interest areas in creative arts, literacy, math and construction, puzzles and games, and science. Daily fitness, healthy eating, and homework assistance (as needed) are part of the program’s operations. There are additional opportunities offered for enrichment clubs and Junior Counselor leadership roles for older school-age students. Summer/extended breaks curriculum is also enhanced with guest speaker events and off-site field trips. Ms. Schuring talked about how the program has daily indoor access to the administrative meeting/office area with sink acknowledging that some days the school gym/cafeteria has been designated for school events and/or practices.

KCE Champions collaborates well with many community partners including the Cedar Rapids Community School District, local businesses, CCR&R, and health professionals. School custodial staff, school administration, school nurse, and school food service personnel help ensure the children's space is sanitary and hazard free each day. The school food service personnel prepare and provide all food items for the childcare program. The school kitchen is inspected at least annually by the health department. There is an AED onsite.

Each KCE Champions LLC location has emergency plans, policies, and procedures in place which are annually reviewed and updated as needed. The program has successfully navigated through 2022 food supply and infant formula shortages, 2023 air quality alerts and 7/19/24 global technology outage.

Each child is engaged in a daily health check upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. The program has policies and procedures in place for hand washing, cleaning, sanitizing and disinfecting.

On the day of the monitoring visit, staff was observed warmly greeting 2 children and their families attending the before school childcare. On-site materials and furnishings were observed. Children's accomplishments (e.g. artwork) were displayed in the program. One child was observed selecting quiet music to play in the background during some of the morning's activities. Staff and children were observed prior to the school day commencing. Activities observed included free choice play (e.g. school computer work, coloring/drawing, bulls-eye game). Routine transitions (e.g. clean-up, restroom break, transition/bus to school) worked smoothly into the day's programming. Staff were observed to be actively engaged with the children, provided positive redirection when needed and encouraged social graces. Children responded well to staff and appeared to be enjoying the program.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

None noted.

V. SPECIAL NOTES/RECOMMENDATIONS:

Obtain a thermometer for the childcare food refrigerator.

Please ensure posted lesson/curriculum plan have the current week's dates rather than just a week with number(s). To have otherwise, makes it difficult to know if the posted lesson/curriculum plan is current.

Continue to collaborate with the school district regarding maintenance of the outdoor playground (e.g. adequate cushion surface depth, chipping/rusting equipment, power washing of outdoor equipment). If areas of the outdoor playground become unsatisfactory, the childcare shall refrain from accessing those areas until remedies are made.

It is beneficial to note, Child Care Resource and Referral (CCR&R) and the nurse consultant are excellent resources to access training opportunities and support in the area.

Please note - capacity has decreased to 20. During the 2024-2025 school-year, KCE Champions LLC @ Springville only has guaranteed daily usage of the administrative meeting/office area with sink.

The program's license remains in full status. Thank you for the visit.

*Note: If you are the Child Care Center Director and you feel something is unclear or unjustly cited, please contact your DHS Licensing Consultant to discuss the issue. The child care director may also send a response which will be placed in the licensing file.

*Note: If you are a member of the general public, there may be additional information contained in the public file. You may contact the DHS Licensing Consultant to inquire.
