Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your Registered Child Development Home A conducted on 05/02/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

Findings:

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.

**The provider is in need to place a smoke detector at the top of the stairs on the upper level of the home.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:
evacuation to safely leave the facility relocation to a common, safe location after the evacuation
shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
lock down protocol to protect children and providers from an external situation
communication plan and plans for reunification with families
continuity of operations plans
Procedures to address the needs of individual children, including those with functional or access needs

**The provider did not have this form filled out. Discussion was held with the provider about the form and the way to fill it out to cover all needed areas.

Suggestions/Recommendations:

If you have any questions regarding this letter, please reach out to compliance staff.

Your CCR&R representative is Michelle Greenough. Her contact number is 515-802-8022.

Corrective Action Required:

Please install the smoke detector at the top of your stairway on the top floor of your home. Once you have this completed, please text a picture to compliance staff at 712-435-0576.

A WORD document copy was emailed to the provider on 5/3/24 to fill out on her computer and be able to make any necessary changes before printing it off. Once you have filled out this form with your plan, please email it to compliance staff for review.

Once both of these items are in compliance, your registration will be able to be approved.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhe.iowa.gov if you have any questions regarding this letter.

Sincerely,

Stacy Burris
