1. Basic Overview

Natatia is a category A provider who has been registered since 2024. Her hours are essentially around the clock as she is willing to accommodate the parent's work schedule. She takes children of all ages and accepts childcare assistance payments. She does not belong to the food program. There are no pets in the home.

2. Identify Observed Strengths Of The Program

Natatia's home is clean and free from any hazards. Her program is play-based. Natatia wants parents to know that their children are loved and cared for while in her home.

CHILD CARE ANNUAL EVALUATION

3. Identify The Aspects That Fall Below The Standard

110.8 (1) h : Has a minimum of one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway.

A smoke detector needs to be installed in the living room.

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.

The provider needs documentation of recent physical examinations for her sons.

110.9(4) : An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
110.9 (4) a : Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
110.9 (4) b : Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child's regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

Several children need updated documents in their files.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NA

5. Special Notes/recommendations

2026 Target Compliance of Emergency Preparedness Plan was complete and in line with current operations.
