Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 07/25/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"h" The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(1)"n" Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.

3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.

4. All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.

5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "a" Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

1305 E. Walnut Street, Des Moines, IA 50319-0114

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“b” (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa’s Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years’ training requirements, not including first-aid and mandatory reporter training

Findings:

441 IAC 110.8(1)h. Each smoke detector is tested monthly, and a record is kept for inspection purposes.
441 IAC 110.8(1)n. All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites. Form 470-5153, Pet Health Examination Veterinary Health Certificate is on file.
441 IAC 110.8(4)a. Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
441 IAC 110.9(1)b(1) Two hours of approved child abuse and neglect mandatory reporter training.

Suggestions/Recommendations:

Samantha needs to resume monthly testing and written documentation of smoke detectors.
Samantha needs to resume written documentation of fire and tornado drills.
Samantha's daughter's dog was visiting on the day of the visit. Form 470-5153 needed if dog will be at Samantha's home during child care hours.
Samantha's MART training expired. By the time this worker returned to the office, Samantha had submitted updated MART certificate.

Corrective Action Required:

A follow up visit will not be needed at this time. Items need to be corrected by 9/18/2023. Samantha needs to submit dog record if dog will return to her home. Drill documentation will be reviewed at next annual compliance check.

I encourage you to work with Alicia Wagner, Child Care Resource and Referral.
