Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 01/22/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(4)	**Emergency Plans**
441 IAC 110.8(4)	Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

Findings:

1. 110.8(4)a The provider does not have her Emergency/Disaster plans for fire and tornado posed by the primary and secondary exits, it is posted in the basement.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 2/5/2024 and will be reviewed at the next annual compliance check.

I encourage you to work with Michele Greenough from Child Care Resource and Referral with any ongoing compliance or training needs.

Michelle can be reached at: 515-802-8022.

Corrective Action Required:

1. The provider needs to post emergency/disaster plans for fire and tornado by primary and secondary exits.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or hbailey@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
