

10/19/2017

Brenda Timmerman
609 W Main ST
Waukon, IA 52172

Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 10/18/2017. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) Facility Requirements

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(2)

An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person's involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

441 IAC 110.9(3)

An individual file is maintained for each substitute and contains:

1. Documentation from the department confirming the record checks required under 441 IAC 110.9(1) "a" have been completed and authorizing or conditionally limiting the person's involvement with child care.
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
4. Certification in infant and child first aid
5. Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

441 IAC 110.9(4)

Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

- a. Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.
- b. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
- c. A signed medical consent from the parent authorizing emergency treatment.
- d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 4. The examination report or statement of health status shall be on file before the child's first day of care
- e. For children under the age of 6, a statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- f. For each school-age child, on the first day of attendance, documentation of a physical

examination that was completed at the time of school enrollment or since.

g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

j. Written permission from the parent for the child to attend activities away from the child development home. **k.** Injury report forms documenting injuries requiring first aid or medical care

l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

1) Unable to locate documentation for testing of device.

441 IAC 110.8(1)“h” The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer’s recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes

2) Unable to locate documentation for practice of fire and tornado drills.

441 IAC 110.8(4) “a” Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.

3) Emergency preparedness plan not completed.

441 IAC 110.8(4) “b” The provider must have procedures in place for the following:

evacuation to safely leave the facility

relocation to a common, safe location after the evacuation

shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue

lock down protocol to protect children and providers from an external situation

communication plan and plans for reunification with families

continuity of operations plans

Procedures to address the needs of individual children, including those with functional or access needs

4) Delbert is in need of an updated physical.

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household over the age of 12 . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years. All children residing in the household that are 12 years of age or younger must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

5) No documentation for mandatory reporter training.

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care

A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of

osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years. Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

6) No documentation of mandatory reporter training.

441 IAC 110.9(3) An individual file is maintained for each substitute and contains:

Documentation from the department confirming the record checks required under 441 IAC 110.9(1) "a" have been completed and authorizing or conditionally limiting the person's involvement with child care.

A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years. Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years.

Certification in infant and child first aid

Certification or other documentation that minimum health and safety training has been completed within 3 months or prior to providing substitute care, whichever occurs first.

7) Three files missing admission physical for infants / preschoolers. Two files missing dated and signed immunizations.

441 IAC 110.9(4) Children's Files. An individual file for each child shall be maintained and updated annually or when the provider becomes aware of changes. The file shall contain:

Identifying information including, at a minimum, the child's name, birth date, parent's name, address, telephone number, special needs of the child, and the parent's work address and telephone number.

Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child's regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency.

A signed medical consent from the parent authorizing emergency treatment.

An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

The examination report or statement of health status shall be on file before the child's first day of care

A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.

A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.

A list that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

Written permission from the parent for the child to attend activities away from the child development home. The permission shall include:

Times of departure and arrival.

Destination.

Persons who will be responsible for the child

Injury report forms documenting injuries requiring first aid or medical care

If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Suggestions/Recommendations:

Remember that if you have a child that has allergies (other than seasonal), a written emergency plan must be completed. This plan is to accompany the child if away from the facility.

Serious injuries and deaths must be reported within 24 hours.

You may send pictures via email to show compliance. Please make every attempt to become compliant within 30 days of receipt of this letter. If you need more time, please contact me to let me know.

Corrective Action Required:

- 1) Test smoke detectors monthly and document.
- 2) Practice fire and tornado drills monthly and document.
- 3) Complete emergency preparedness plan.
- 4) Delbert should obtain an updated physical and have medical personnel complete form 470-5152.
- 5) Obtain documentation of mandatory reporter training for assistant. Or, if this has expired, assistant must complete this within 30 days of receipt of this letter.
- 6) Obtain documentation of mandatory reporter training for substitute. Or, if this has expired, assistant must complete this within 30 days of receipt of this letter.
- 7) Obtain missing documentation for children's files.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at (319) 292-2419 if you have any questions regarding this letter.

Sincerely,
Toni Brown
