CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category C-1 provider Jodi Reisetter on 9/2/2026. Jodi has been involved in child care for 31 years. She continues using the basement level only of her ranch style home. Jodi has a walk out door in the basement to serve as her second exit. She is located in a rural setting though has a tested, public water source. Jodi's primary space includes a large, open room along with a connected room for napping. The children have lots of space, and the home is very clean. Jodi is currently caring for only 5 children, and all were present the day of our visit. She has no HHS-approved substitutes or assistants. Jodi uses her open, rural yard for an outside play area. She is due to renew her registration effective 11/30/2027.

2. Identify Observed Strengths Of The Program

Jodi has significant years of experience in child care. She keeps her numbers low, with no plans to grow. She is able to provide good attention to the children. Jodi offers lots of space to the children both inside and outside. She describes her strengths as patience, flexibility, and good communication with the parents. Jodi's curriculum includes having a new theme every month. She plans activities to match the monthly themes. Jodi does not use any screen time with her routine, and the children have lots of free play. They have regular outside time as weather permits.

3. Identify The Aspects That Fall Below The Standard

Jodi was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Jodi was in compliance having a plan consistent with her current operation.

I encourage Jodi to work with Julia Green from Child Care Resource and Referral with any ongoing compliance or training needs.
Julia can be reached at: (515) 202-1830

Jodi had one infant under 12 months of age in care during our visit who was awake. We reviewed safe infant sleeping policies.
