I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

Not applicable.

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

The Arc of East Central Iowa (ECI) is a non-profit program that provides preschool through school-age children enriching activities within a structured setting. The inclusive program also provides support needs for those children who have developmental and physical disabilities. The Arc of East Center Iowa (ECI) operates the following two licensed childcare programs in the community: The Arc ECI - Daycare Enrichment and The Arc ECI -Summer Day.

Specifically, this license pertains to The Arc ECI - Summer Day. During summer 2025, the program recommenced operations at Veritas Church and expanding into lower level rooms. The Arc ECI - Summer Day operates 6/16/2025-8/8/2025 summer only Monday through Friday 7:00am-5:30pm. Current enrollment is 91.

Devin Hartl became the multi-site childcare director of The Arc of ECI in March 2023. Ms. Hartl has an AA degree in liberal arts, have over 3 years experience working with children and persons with disabilities, and continues to participate in much child development related training. In March 2025, the program acquired an assistant director Lauren Brandt. Onsite supervisor Olivia McKinstry started in the onsite supervisor role in 2024, has been with The Arc of ECI for over 4 years and continues to participate in much child development related training.

On 6/19/2025, program space was observed.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

The Arc of ECI offers a variety of full-time and part-time programming options to help meet the needs in the community. The Arc of ECI operates the following two programs in the Linn County area: The Arc of ECI- Daycare Enrichment and The Arc of ECI - Summer Day. The programs are well-established in predominantly urban areas.

The Arc of ECI has been in operation since 1953. During 2025, the Arc of ECI is celebrating their 72nd year of operations. Congratulations!

The Arc of ECI has the following website for families and the community to learn more about their programs and services: https://arceci.org/. The program also sponsors a social media site.

Multi-site director Ms. Hartl has been in the director role for over 2 years and on-site supervisor Ms. McKinstry has been in this role for over 1 year. Since the last review, the program also obtained a new assistant director Lauren Brandt. The program's management team (e.g. Ms. Hartl, Ms. McKinstry, Ms. Brandt, The Arc of ECI administrative team) is organized and has noteworthy systems of organization in place to help ensure administrative items are completed as required and maintained in a confidential manner. As a result, the program experiences smooth daily operations. Management is knowledgeable of licensing guidelines as well as their own program's policies and procedures. Management discussed possible future goals including participation in IQ4K.

The Arc of ECI continues to retain seasoned staff as well as hire a few new ones. Several staff are employed with local

school districts as paraeducators and/or teachers during the school-year and then assist with The Arc of ECI during summer operations. Several staff are also college and high school students. Ms. Hartl discussed having a really impressive, new group of Center Point High School staff who have been very helpful and caring. The Arc of ECI continues to provide professional staff hiring and onboarding. Ms. Hartl reported The Arc of ECI holds regular staff meetings for continued support as well as to review policies and procedures. File review indicates employee annual professional growth hours exceed code requirements. Ms. Hartl and Ms. Brandt discussed having a solid, great reliable team of 57 staff. Ms. Hartl and Ms. Brandt also acknowledged the continued positive family feedback both locations receive noting having 91 participants enrolled for Summer Day.

The Arc of ECI continues to retain seasoned staff as well as hire a few new one Several staff reported being college students or being employed with local school districts as paraeducators and/or teachers during the school-year only to be able to assist The Arc of ECI during summer operations. Ms. Hartl talked about The Arc of ECI's professional staff hiring and onboarding. Ms. Hartl reported The Arc of ECI holds regular staff meetings for continued support as well as to review policies and procedures. File review indicates employee annual professional growth hours exceed code requirements. Ms. Hartl discussed being pleased with their team of employees as well as appreciating the positive family feedback the program has received.

The Arc of ECI - Summer Day is located at Veritas Church. The church is ADA accessible and less than a 5 minute walk from The Arc of ECI - Daycare Enrichment. Veritas Church is well-maintained. Church administration and custodial staff help ensure the building is sanitary and hazard free each day. Primary program rooms are located on the lower level and have been arranged in a thoughtful manner. Communication between staff and those enrolled is done verbally, with picture cues, and through sign language. Curriculum includes on-site guest speaker events, off-site field trip adventures (e.g. Palo Beach, local library, splash pads, WickiUp Hill, Greene Square Park Recreation events, bowling, mini golf, DQ, Magic Show experience), neighborhood walks, tandem bike rides, outdoor learning, scavenger hunts, large gross motor individual and group activities, enrichment opportunities, and cooking experiences.

The Arc of ECI - Daycare Enrichment and The Arc of ECI - Summer Day both utilize the outdoor recreation space located outside The Arc of ECI - Daycare Enrichment. In 2023, the program's outdoor recreation space underwent a complete well designed modernization having considerations for the needs of all by incorporating surfacing and play equipment that promotes growth and joy for all participants! The Arc of ECI - Daycare Enrichment also added an outdoor building mural. In 2024, further enhancements to the recreation space included the installation of a retractable shade structure on the pergola as well as the installation of two additional free standing shade structures for cooler seating areas. As part of their United Way Day of Caring, Hall & Hall Engineers helped with shade installation and Aegon donned the fences with some fun designs. Most recently, the outdoor space obtained an additional inclusive swing.

The Arc of ECI has emergency plans, policies, and procedures in place which are annually reviewed and updated as needed. The program successfully navigated through the 2008 Linn County Flood, 2019 winter Polar Vortex, 2019 health (covid-19) pandemic, 8/10/20 Derecho Storm, 2021 food supply issues, 2022 infant formula shortages, compromised air quality alerts (e.g. 2023, 2025) and 7/19/24 global technology outage.

The Arc of ECI continues efforts at optimal communication between the program/staff and families. The program offers regular program newsletters (e.g. Challenger Newsletter), utilizes technological communication resources (e.g. "Let's Chat"), and supports family programming activities. Staff have access to mobile electronics to allow for easier program documentation. Annual family meet-and-greet opportunities happen throughout the year to help enhance program/family communication and update any necessary administrative items.

The Arc of ECI is invested in the community and continues to collaborate with numerous agencies including local businesses, city library, CCR&R, YMCA, Camp Courageous, Veritas Church, City Parks and Recreational Department, health professionals, LIFTS, and local school districts. The Arc of ECI sponsors many community events including upcoming Touch-A-Truck, 2025 Softball Games at the Park, Summer in the Square Concert, and Art Without Limit: Celebration Gala.

Each family and participant is engaged in a daily health check upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. The Arc of ECI has policies and procedures in place for hand washing, cleaning, sanitizing and disinfecting.

On the day of the monitoring visit, staff were nurturing and attentive to participants. Upon arrival to the program, licensing observed staff and older participants preparing for transition to an off-site field trip event. Areas of study included the ocean and summertime. An array of materials and activities (e.g. crafts, puzzles, games, building materials, imaginative play items, sensory) are available. Staff provided a companionable presence allowing those present to have many choices in the day's experiences. Routine transitions (e.g. clean up activities) worked smoothly into the program's welcoming and cooperative play environment. Discussion between staff and participants was meaningful including the day's events and activities participants engaged in the evening before. Those attending responded well to staff and appeared to be truly enjoying their day.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

None noted.

V. SPECIAL NOTES/RECOMMENDATIONS:

A full license is issued. Thank you for the visit.

*Note: If you are the Child Care Center Director and you feel something is unclear or unjustly cited, please contact your DHS Licensing Consultant to discuss the issue. The child care director may also send a response which will be placed in the licensing file.

*Note: If you are a member of the general public, there may be additional information contained in the public file. You may contact the DHS Licensing Consultant to inquire.
