Lisa was missing updated physicals for 2 children in care.
Lisa was missing the authorization on who can pick up a child and the transportation/activity form for 2 children in care. She did send verification of this for the two children on this same date.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 9/30/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Black Hawk County Child Care Resource and Referral at 319 233-0804 with any ongoing compliance or training needs.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Lisa needs to ensure that she has the number for each child's parent, a responsible person who can be reached when the parent cannot, and the child's physician shall be written on paper and readily accessible by the telephone. She needs to ensure it is updated with all her current children. Lisa did send pictorial verification of her update to this worker on this date.

Lisa needs to work with parents to ensure she has all required paperwork for her children's files.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
