CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Beverly has been providing child care since approximately 2012. Beverly is currently a category C child development home with Breyana Woods serving as her co-provider. Beverly and Breyana accept children from infant through school age and are available Mondays through Fridays. Currently Beverly's hours are 6:00 a.m. - 9:00 p.m., however Beverly states she would consider third shift care. Beverly reports that they work on preschool and kindergarten readiness activities with children. Beverly's child care setting emphasizes learning through play. Beverly provides breakfast, lunch, and two snacks for children daily.

2. Identify Observed Strengths Of The Program

Beverly believes her greatest strength in working with children is her ability to build children's confidence. Beverly teaches children respect for themselves and others. Beverly is often recognized by school officials complimenting her on the children who come from child care. The children leave knowing how to write their names and knowing basic sight words. Beverly's home offers a wide variety of age appropriate toys and activities for children in her care. Beverly participates in the CACFP food program for child care providers. Beverly maintains her required paperwork and takes pride in being compliant with regulations.

3. Identify The Aspects That Fall Below The Standard

110.9 (1) b : Documentation from the Department confirming record checks have been completed and authorizing or limiting the person’s involvement with child care.
110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

Beverly could not locate her HHS completed background check letter. Beverly previously requested this from CCA Unit, however they misunderstood the request and sent the notice of decision. During this visit, Beverly emailed the CCA Unit asking for the completed background check letter.
Beverly needs an updated physical and an emergency medical treatment authorization form for one enrolled child.

Beverly needs to let Kathy know when she receives the HHS background check letter (by 8/31/2026). Beverly can email at kathy.huinker@hhs.iowa.gov or text 563-949-6971. Child files will be reviewed again at next year's compliance visit.

5. Special Notes/recommendations

Targeted case compliance of Emergency Preparedness Plan completed. Plan remains accurate and up to date.
