CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Farhiyo Ahmed has been a registered Child Development Home Provider since May of 2021. Farhiyo is a category "A" provider allowing her to have 6 preschool children and an additional 2 school aged children in her care at one time. Farhiyo renewed her registration in May of 2025. There are no pets in the home. Farhiyo does not transport children. She accepts all ages of children. Her availability to provide care is 24 hours a day 7 days a week. Farhiyo does not have any families in her care at this time; she is working with Child Care Resource and Referral to identify families she could potentially provide care for at this time.

2. Identify Observed Strengths Of The Program

Farhiyo is current with her required trainings as reviewed by the Registration Unit during the renewal. Farhiyo's availability allows her to care for families with non-traditional schedules. Children in Farhiyo's care receive regular meals and snacks as appropriate. Farhiyo has completed Safe Sleep training and would implement the practice when she has a child younger than 12 months. Farhiyo uses removal of privileges, Time Out, and redirection as her primary behavioral interventions. Corporal punishment is not used in the Child Development Home.
