CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Mapendo is applying to be a category A child development home.

2. Identify Observed Strengths Of The Program

Mapendo worked with CCR&R and 4C's to prepare for her pre-inspection. Mapendo has a large lower area of her home for childcare, which also includes a lower level kitchen.

3. Identify The Aspects That Fall Below The Standard

110.8 (3) a : All medicines and poisonous, toxic, or otherwise unsafe materials are secured from access by a child.

1. The cabinet under the bathroom sink, on the lower level, was missing a door and cleaning chemicals are stored under there.

110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have:Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.

1. Due to insurance issues, Mapendo and her family do not have current physicals. Mapendo is working with 4C's to obtain coverage so that her family can get physicals.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Mapendo will need to show proof, either in person or by photo text, that the chemicals under the bathroom sink are secured from children. They will need to repair the door and install a child safety lock, or move the chemicals to a location that cannot be accessed by children.

2. Mapendo and her family/household members need to obtain physicals within six months of registration approval.

5. Special Notes/recommendations
