Suggestions/Recommendations:

1. Each child in care needs to have an emergency contact written on paper and easily accessible. I left a blank form to be used.

2. Tornado and Fire Drills need to be completed each month and documented. I left a blank form to be used.

3. Current Mandatory Reporting and CPR Certificates need to be available in paper form or electronically. I emailed your CCR&R worker to assist you with this.

4. Each child in care needs an individual file containing specific information in the file. I left a list of specific information for you to use and the information is also cited in the above policy section.

Corrective Action Required:

A re-check is not needed at this time. The above corrections need to be completed by 1/16/2024 and will be reviewed on your next annual compliance check.

I encourage you to work with your Child Care Resource and Referral Worker (Roxanna Sixtos 515-246-3507) to address the above corrections and any other compliance or training efforts.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaringd@dhs.state.ia.us if you have any questions regarding this letter.
