1. Basic Overview

Lorena Mayorquin is a CDH Category B provider, living in Ankeny. She has been a registered daycare provider since 2019. Lorena has one approved child care sub/assistant. Lorena lives in a ranch style house but only uses the main floor area for her child care operation. Lorena watches children of all ages. She is open from 7am to 5:30pm.

2. Identify Observed Strengths Of The Program

Lorena Mayorquin was organized for our compliance check. She had 7 children present during our compliance visit, ranging in ages 11 months to 6 years old. Lorena sub/assistant was also present. She was able to locate trainings for me and provide care for the daycare children. Lorena participates in the food program. Lorena said the daycare children like to do arts and crafts, preschool circle time, themes of the week, this week was butterflies. Lorena uses the Bright wheel app to communicate with parents. Lorena has a large fenced in backyard for daycare children to play in. We reviewed all safe sleep regulations. Lorena has cribs for infants to sleep in. Lorena speaks both English and Spanish.
