CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Erica is a category B provider who has been registered since 2011. She provides childcare on the main floor of the home as well as in the basement. The basement has egress to the outside. Eric participates in the food program. There are no pets in the home.

2. Identify Observed Strengths Of The Program

Erica's home is clean with no safety hazards present. Erica is committed to providing a positive environment for the children. She interacts well with the children, and they come to her without hesitation if they need something. Age-appropriate toys and learning materials are available for the children.

3. Identify The Aspects That Fall Below The Standard

Within six months of becoming registered, children 18 years of age or younger residing in the household must have: Admission physical exam report. Immunization certificate. For school age: Documentation of physical exam completed at time of school enrollment or since that time.

The provider's child needs an updated physical examination in his file.

110.9 (4) c : A signed medical consent from the parent authorizing emergency treatment.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.

Several children's need updated documents in their files.
