Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 06/22/2023. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

Findings:

441 IAC 110.8(4) "b" The provider did not have documentation of a completed Emergency Preparedness Plan

Suggestions/Recommendations:

Please complete an Emergency Preparedness Plan. Information can be found at https://iowaccrr.org/training/EP/
Please complete no later than 7/31/23 and send to Christie Weber at cweber@dhs.state.ia.us

Corrective Action Required:

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at rpage@dhs.state.ia.us if you have any questions regarding this letter.
