Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 04/09/2018. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(4) Emergency Plans

441 IAC 110.8(4) "b" The provider must have procedures in place for the following:

1. evacuation to safely leave the facility
2. relocation to a common, safe location after the evacuation
3. shelter-in-place to take immediate shelter where you are when it is unsafe to leave that location due to the emergent issue
4. lock down protocol to protect children and providers from an external situation
5. communication plan and plans for reunification with families
6. continuity of operations plans
7. Procedures to address the needs of individual children, including those with functional or access needs

441 IAC 110.9 Files

441 IAC 110.9(1) A provider file is maintained and shall contain the following:

441 IAC 110.9(1) "a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

Findings:

Per our 4/9/18 spot check visit, the following corrections need to be made as described in the policy sections above:

1. You need to finish the Emergency Preparedness plan that you started and have a completed copy on file. I suggest you work with Megan Kerkmann from Child Care Resource and Referral on this project. Megan can be reached at: (515) 246-3583
2. You need to obtain a current physician signed statement of health for your two older children using the State form I shared a copy of. These need to be renewed every three years for all household members age 12 and over.

Suggestions for Improvement:

Recommendation:

The above corrections need to be in place by 6/8/18. Though I will not be conducting a re-check at your home, I will review the corrections during our next visit.

[] Is the recommendation to terminate a provider agreement or revoke a registration?

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will not be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at (515) 268-7106 if you have any questions regarding this letter.

Sincerely,

Earl Crow
