1. Basic Overview

Barb has been a registered childcare provider since September 2009. Barb has one substitute, her husband, Duane. Barb only cares for her grandchildren/great grandchildren, so her hours vary depending on her families' needs.

2. Identify Observed Strengths Of The Program

Barb is only providing care for her grandchildren and greatgrandchildren at this time.

Barb was observed caring for one child, her great granddaughter, during the compliance visit. Barb does provide transportation; she had just come home from picking up her granddaughter from preschool. Barb provides transportation, regular meals and some overnights for the children she watches. Barb helps her kids with their homework and even homeschooled one grandchild for a year.

3. Identify The Aspects That Fall Below The Standard

All dogs and cats have annual examinations. Records of the exams are on file and must verify that routine immunizations are current and animal is free of endo and ecto parasites.
Form 470-5153, Pet Health Examination Veterinary Health Certificate, is on file.

1. Barb's dog, Princess Coca's, physical is expired.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
