Suggestions/Recommendations:

If you have any questions regarding this letter, please contact compliance staff.

Your CCR&R representative is Karen Lauer. Her contact number is (641) 820-1922.

Corrective Action Required:

Compliance staff reviewed the 2023 compliance letter and found that the provider had the same deficiencies in that letter.

The provider will need to purchase and provide photo documentation of a second fire extinguisher that is placed on the lower level of the home. This photo can be texted to 712-435-576 or by email at stacy.burris@hhs.iowa.gov by June 9, 2024.
This photo will need to show two fire extinguishers that are the identified needed size for childcare. In the event that this is not received by compliance staff, this may lead to a revocation of your registration for failure to follow the health and safety regulations for an in home childcare.

The provider needs to start documenting monthly drill and smoke detector checks, starting with May 2024. This documentation can be on your phone, on a sheet of paper, on a calendar. Compliance staff needs to see documentation of the event, and the day that the event happened. These items need to be completed monthly.

For your child files, work diligently with your childcare families to receive the necessary information that is required by law. Physicals need to be received annually from families to verify the health status of each child. Immunization records can be obtained by the nurse consultant for your County by calling (641) 202-7114 .

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 712-435-0576 or stacy.burris@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Stacy Burris
