Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home A conducted on 12/07/2022. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)"a" A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

441 IAC 110.9(1)"b" (1) I-PoWeR records or certificates verifying required training completion:

Prior to registration:

- minimum health and safety training, approved by the Department, in required content areas
- Iowa's Mandatory Child Abuse Reporter Training

Prior to registration: First Aid and Cardiopulmonary resuscitation. Provider shall maintain a valid certificate indicating date of training and expiration date.

During each two year registration period, the provider shall receive a minimum of 24 hours of training from approved content areas. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years' training requirements, not including first-aid and mandatory reporter training

1305 E. Walnut Street, Des Moines, IA 50319-0114

Findings:

When this worker arrived two children were present with both of these children under the age of 12 months. Provider is within allowed category A numbers.
A complete tour of the home and outdoor area found all items to be in compliance.
A review of records noted that her daughter Sienna needed a parent statement of health completed and Jessica completed this document during the visit. Jessica's MCART had recently expired in November and she indicated she is able to complete this training by 1/15/2023 and send this worker a photo of the certificate.

Suggestions/Recommendations:

Corrective Action Required:

Jessica will complete this training by 1/15/2023 and send this worker a photo.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 641-421-1219/anash@dhs.state.ia.us if you have any questions regarding this letter.
