Tammy was caring for 2 infants during the compliance visit. The children were crawling around the basement and having "free play". SW Bailey did discuss with Tammy the amount of clutter in the childcare area, Tammy said that her husband is sorting through some boxes and she needs to pick up dog blankets and the children's toys. Tammy did send updated photos with the area cleaned up/organized.

Tammy says that she has good communication with the parents of the children she cares for. Tammy says that she has "lots of love" for the children. Tammy says that she has provided care to families for so many years she gets to watch their children grow up.

Tammy says that the children enjoy singing, dancing, reading books and going for walks. Tammy says that the children like to do "stretching" videos as well.

3. Identify The Aspects That Fall Below The Standard
