Dear Child Care Provider:

This letter is in regards to the pre-inspection visit at your Registered Child Development Home A conducted on 10/09/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.9	Files
441 IAC 110.9(1)	**A provider file is maintained and shall contain the following:**
441 IAC 110.9(1)“a”	A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Findings:

Per our pre-inspection spot check on 10/9/2024, the following corrections need to be made:

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Suggestions/Recommendations:

I encourage Alaina to work with Julia Green from Child Care Resource and Referral with any ongoing compliance or training needs.
Julia can be reached at: (515) 202-1830

Corrective Action Required:

1. Alaina needs to obtain a current physician signed statement of health form for her husband to have on file. This needs to be completed using the State form I shared a copy of and needs to be renewed every 3 years.

2. Alaina needs to obtain a current physical and immunization form for her 2 children to have on file.

The above corrections need to be made before Alaina's pre-inspection can be approved to become a registered Category A provider. Alaina needs to email me pictures of the health forms or contact me for a re-check visit by 10/31/2024 or her application could be denied.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at earl.crow@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Earl Crow
