CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Childcare Compliance worker Dave Jaehrling did an annual inspection on 12/4/25 at Sarah Harson's Category "B" child development home. As a child development home, Sarah is able to have 8 full time children and 4 school aged children for a maximum of 2 hrs. Anything after 2 hrs would require her to have her assistant present. Sarah currently has an exception to policy from 9/25-9/26 allowing her a ninth child. When she has more than 9 children present, her assistant must be present. Sarah has one dog in the home. Sarah is part of the Food Program and offers nutritious, balanced meals and snacks.

2. Identify Observed Strengths Of The Program

Sarah is an experienced provider with knowledge of child development and behaviors. Sarah has a fenced in back yard. She was observed having positive and nurturing interactions and was clam when addressing negative behaviors. Sarah is organized and takes pride in her program as evidenced by being in full compliance of the rules and regulations as a category "B" child development home.

3. Identify The Aspects That Fall Below The Standard

Sarah is in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

NONE

5. Special Notes/recommendations

NONE
