Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 04/04/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)“ c”	Combustible materials shall be kept a minimum of three feet away from furnaces, stoves, water heaters, and gas dryers

Findings:

441 IAC 110.8(1)“c” Combustible materials shall be kept a minimum of three feet away from furnaces, stoves, water heaters, and gas dryers.

There were combustible materials within three feet of your furnace and water heater.

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.
1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

An updated physical examination is needed for your pet on form 470-5153.

441 IAC 110.9(4) Children’s files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
d. For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
e. For infants and preschoolers: A statement of health signed by a physician submitted annually.
g. A signed and dated immunization certificate provided by the state Department of Public Health.

Several children need current physical examinations and immunization records in their files.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 5/4/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Amber Kollbaum from Child Care Resource and Referral with any ongoing compliance or training needs.

Amber can be reached at (712) 541-3498

Corrective Action Required:

Please move all combustible materials a minimum of three feet away from your furnace and water heater.

Please provide documentation of a current physical examination for your pet on form 470-5153.

Please update the children's files as needed.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at djaehrl@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,
