CHILD CARE ANNUAL EVALUATION

1. Basic Overview

The pre-inspection for Morgan Bachman to become a category "A" Child Development Home Provider was completed on 11/5/2025. Being a category "A" Child Development Home Provider, Morgan is allowed to have 6 preschool children with an additional 2 school aged children present at one time. Morgan said she accepts children of all ages. She will care for private pay children as well as Child Care Assistance families also. There are 3 approved substitute/assistants available if needed. There is one pet dog in the home.

2. Identify Observed Strengths Of The Program

Morgan and her substitute/assistants are current with their required trainings reviewed by the Registration Unit. Care is mainly in the basement; the children will eat their meals in the upstairs kitchen area. Children in Morgan's care receive regular meals and snacks as appropriate. The care area downstairs has multiple educational posters and interactive activities readily accessible to the children to interact with when in the Child Development Home. The backyard is fenced, and the surface is grass. There area has multiple play equipment which encourages large and small motor activities. Morgan uses redirection and proximity to intervene with behaviors when necessary. Corporal punishment is not practiced in the Child Development Home. Morgan's paperwork is organized and complete.
