CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Tasha has been providing care for 11 years with 10 of those years being registered. She participates in the Food Program. Tasha reports that her program consists of learn thru play, arts and crafts and a lot of outside time when weather permits. They enjoy going for walks, to the park and the library.

2. Identify Observed Strengths Of The Program

Tasha is very organized as evidenced by being in full compliance. Tasha's child care was closed this day so I was unable to see her engagement with children.

3. Identify The Aspects That Fall Below The Standard

Tasha was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

5. Special Notes/recommendations

At todays visit we covered safe sleep and discipline policies.

Thank you for the service you provide to your community!
