Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 03/13/2025. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1)	**Facility Requirements**
441 IAC 110.8(1)"a"	The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information
441 IAC 110.8(1)"h"	The home shall have at least one single-station, battery-operated, UL-approved smoke detector in each child-occupied room and at the top of every stairway. Each smoke detector shall be installed according to manufacturer's recommendations. The provider shall test each smoke detector monthly and keep a record of testing for inspection purposes
441 IAC 110.8(3)	**Medications and Hazardous Materials**
441 IAC 110.8(3)"a"	All medicines and poisonous, toxic, or otherwise unsafe materials shall be secured from access by a child
441 IAC 110.8(4)	**Emergency Plans**
441 IAC 110.8(4) "a"	Fire and tornado drills shall be practiced monthly and the provider shall keep documentation evidencing compliance with monthly practice on file for the current year and the previous year.
441 IAC 110.9	Files
441 IAC 110.9(1)	**A provider file is maintained and shall contain the following:**
441 IAC 110.9(1)"a"	A physician's examination report for the provider and all members of the provider's household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) "d", 110.9(4) "f", and 110.9(4) "g"

Findings:

1. 110.8(1)a The provider's paper with emergency numbers on it had fallen off the wall.

2. 110.8(1)h The provider reports that she tests her smoke detectors monthly but does not keep documentation.

3. 110.8(3)a The provider has a lock for under her kitchen sink, but the lock was not on during the compliance visit. The provider does store chemicals under the sink.

4. 110.8(4)a The provider does not keep documentation of fire/tornado drills.

5. 110.9(1) Provider file:
-The provider does not have an up-to-date physical for her husband in the provider file.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 4/13/25 and will be reviewed at the next annual compliance check.

I encourage you to work with Karen Lauer from Child Care Resource and Referral with any ongoing compliance or training needs.

Karen can be reached at: 641-820-1922.

Corrective Action Required:

1. The provider was able to show SW Bailey the fallen form of emergency numbers and repost them to the wall.

2. The provider needs to keep documentation of her monthly smoke detector checks.

3. The provider put the lock back on under the kitchen sink and agreed to keep it on at all times.

4. The provider needs to keep documentation of monthly fire/tornado drills.

5. The provider needs a current physical for her husband in the provider file.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or holly.bailey@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Holly Bailey
