1. Basic Overview

Brigette Hansen has been a registered Child Development Home Provider since September of 2020. Brigette is currently a category "A" Child Development Home Provider. Brigette accepts all ages of children in her program. Brigette's roster consists of children of teachers; she does not provide care in the summer months. There is one pet dog in the CDH. Brigette's hours of availability for care are Monday through Friday from 7am to 4:30pm. Brigette does not provide transportation for families in her care. Brigette does not have a substitute or assistant in her program.

2. Identify Observed Strengths Of The Program

Brigette is an experienced provider. Brigette's care space is appropriate for a category "A" CDH. Depending on the age of the children in care, Brigette's scheduled and the children experience a predictable environment. There are green spaces in the front and backyard for the children to play in when the weather permits. There is a covered deck area the children can play outside when it is raining. Brigette has completed Safe Sleep training and implements the practice in her Child Development Home when she has children 12 months or younger. Brigette uses positive reinforcement, redirection, and quiet time as behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Brigette's care receive regular meals and snacks as appropriate. Brigette's has age-appropriate learning supplies and toys for the children to interact with when in her care. Brigette has posted the required paperwork in the CDH. Brigette's paperwork and files are complete, organized, and easily accessible.
