Tammy was missing initial physicals for three children in her care, an updated physical for one child and an immunization record for one child.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 4/8/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Rachel Bonefas from Child Care Resource and Referral with any ongoing compliance or training needs.

Rachel can be reached at (563) 362-8225.

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Tammy needs to ensure she is following all safe sleep policies. We did discuss those policies and developed a safety plan. Tammy also agreed to take a safe sleep training and agreed to send pictorial verification to this worker.

Tammy needs to work with her parents to ensure she has all the required documentation for each child's file.

Addendums:

- Addendum1: 8/14/24 this worker did an unannounced follow up to verify safe sleep per the safety plan developed on 3/18/24. Tammy had not yet taken the safe sleep training that had been required of her. In talking later with this worker she did verify a plan to do so.

  This worker again dropped by on 10/24/24. Tammy indicated she had been trying to take a training but could not do so on her phone. Sheh had just borrowed a tablet from a friend and planned to get it completed ASAP.

  On 10/31/24 Tammy did send this worker a picture verifying she had completed Safe Sleep- Sudden infant Death Syndrome (SIDS) training on line on 10/29/24.

  She has completed what was requested of her in the safety plan. She does need to continue to abide by all safe sleep policies.

This Addendum is approved by supervisor on 11/1/2024 8:28:46 AM
