Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home B conducted on 05/29/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. Your home is rated a 1 on the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(1) **Facility Requirements**

441 IAC 110.8(1)"n" Providers shall inform parents of the presence of any pet in the home.

1. Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

2. Each pet bird in the household shall be purchased from a dealer licensed by the Iowa department of agriculture and land stewardship and shall be examined by a veterinarian to verify that it is free of infectious diseases. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. Children shall not handle pet birds.

3. Aquariums shall be well maintained and installed in a manner that prevents children from accessing the water or pulling over a tank.

4. All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.

5. No animals shall be allowed in the food preparation, food storage, or serving areas during food preparation and serving times

441 IAC 110.8(3) **Medications and Hazardous Materials**

441 IAC 110.8(3)"b" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.

441 IAC 110.8(4) **Emergency Plans**

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.

441 IAC 110.9 Files

441 IAC 110.9(1) **A provider file is maintained and shall contain the following:**

441 IAC 110.9(1)“ a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:

1. Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care
2. A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
3. Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.

Findings:

An annual compliance check was completed on 5/29/24 and the following was out of compliance:

441 IAC 110.8(1)“n” Providers shall inform parents of the presence of any pet in the home.
Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).
Candace was missing updated pet exams on the approved HHS forms for both of her dogs.

441 IAC 110.8(3)“b” A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, bottled water, disposable tweezers, and disposable plastic gloves.
Candace did not have the required water bottle with her First Aid Kit.

441 IAC 110.8(4) Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas.
The plan at the primary exit had fallen off the wall.

441 IAC 110.9(1)“a” A physician’s examination report for the provider and all members of the provider’s household aged 18 years or older . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”
Chesney is a household member and assistant and her physical had expired.

441 IAC 110.9(2) An individual file is maintained for each staff assistant and contains:
Documentation from the department confirming the record checks required under subrule 110.11(3) have been completed and authorizing or conditionally limiting the person’s involvement with child care
A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.
Certification of two hours of approved training related to identification and reporting of child abuse as required by Iowa Code section 232.69 within 3 months of employment.
Chesney is an assistant. Candace did not have the letter approving her as an assistant.
Candace did not have a current physical exam report for her.
Candace did not have the certificate of Mandatory Child Abuse Reporter Training. This was also an area out of compliance at last year's check.

Suggestions/Recommendations:

A re-check is not needed at this time. Corrections need to be made by 6/19/24 and will be reviewed at the next annual compliance check. Please send pictorial verification of the items where specifically noted below.

I encourage you to work with Lisa Wood from Child Care Resource and Referral with any ongoing compliance or training needs.

Lisa can be reached at (319) 334-5900

Thank you for your service in providing childcare in your community.

Corrective Action Required:

Candace needs to obtain was missing updated pet exams on the approved HHS forms for both of her dogs. She was also out of compliance in this area at last year's annual check, so she needs to send pictorial verification of compliance.

Candace needs to obtain the required water bottle with her First Aid Kit. She was also out of compliance in this area at last year's annual check, so she needs to send pictorial verification of compliance.

Emergency Plans: plans in case of man-made or natural disaster shall be written and posted by the primary and secondary exits. The plans shall clearly map building evacuation routes and tornado and flood shelter areas. Candace needs to repost the one at her primary exit and send pictorial verification of compliance.

Chesney is an assistant and household member. Candace needs to obtain an updated physical exam on the approved HHS form and send pictorial verification.
Candace needs to locate the letter from HHS that approves Chesney as an assistant and maintain that in her file.
Chesney needs to obtain the certificate of Mandatory Child Abuse Reporter Training and send pictorial verification when completed. This was also an area out of compliance at last year's check. Candace reported she will have Chesney complete that this weekend.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-429-0749 or cweber@dhs.state.ia.us if you have any questions regarding this letter.
