CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Crystal is a category B provider who has been registered since 2022. Her husband Patrick is her substitute/assistant. There is a fenced in back yard for the children to play in.

2. Identify Observed Strengths Of The Program

Crystal is conscientious and has made tremendous strides over the past couple years improving the quality of her program. Crystal and Patrick both demonstrated positive interactions with the children during my visit. The children appear comfortable and engaged with the provider. There were a variety of toys and learning materials available for the children.

3. Identify The Aspects That Fall Below The Standard

For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
110.9 (4) f : For each school-age child, record of a physical exam completed at the time of school enrollment or since.

Three of the school-aged children whose files were audited need updated physical examinations and immunization records.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
