1. Basic Overview

Alba Marquez is a CDH Category B provider, living in Des Moines. She has been a registered daycare provider since 2014. Alba lives in a 2 story house and uses the main floor area for her child care operation. Alba offers 24 hour care but is currently only watching children during daytime. Alba provides care to children of all ages.

2. Identify Observed Strengths Of The Program

Alba Marquez was organized for our compliance check. At the time of my compliance visit Alba had four children present, ranging in ages 18 months old to 4 years old. Diana participates in the food program. Alba said the daycare children like to color, play with toys and dance. Alba uses "take a break" for discipline. We reviewed all safe sleep regulations. Alba has pack and plays for infants to sleep in. Currently she does not have any infants enrolled. Alba has a large fenced in backyard. Alba speaks both English and Spanish.

3. Identify The Aspects That Fall Below The Standard
