Corrective Action Required:

Sharesa needs to complete emergency numbers for all enrolled children to include child's parent, emergency contact and child's physician. Sharesa needs to place a copy of these numbers in her vehicle should she decide to transport children in the future.
Sharesa needs to resume monthly smoke detector testing and fire/tornado drills and maintain written documentation.
Sharesa needs to label child's inhaler.
Sharesa needs her two assistants/substitutes to complete MART (Cheranya and Charles).
Sharesa needs her two substitutes to complete Essentials training (Cheranya and Charles).
Sharesa needs to organize her children's file. It appears Sharesa has the majority of needed forms and they are updated, however, it was difficult to locate information as there were piles of unfiled papers.
Sharesa needs to follow her allowed capacity at all times. Sharesa billed for more children than allowed previously.

Sharesa needs to send verification of the above items to Kathy by 5/30/2024. These items can be texted to 563-949-6971 or emailed to kathy.j.huinker@hhs.iowa.gov.

Child files will be reviewed again at next year's annual visit and do not need to be sent in.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 563-949-6971 or kathy.j.huinker@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Kathy Huinker
