CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Kristi Fullerton on 7/10/2026. Kristi has been involved in child care for 34 years. She continues using the main floor only of a ranch style home that is designated for child care only. There is an open living room/kitchen as a primary space, and connecting bedrooms offer a variety of play space or napping space. Kristi had 4 children present during our visit, and cares for a total of 10 at this time. She has no HHS-approved substitutes, and has one HHS-approved assistant. Kristi has a fenced back yard for an outside play area, and also uses local parks that she and the children can walk to. Kristi is due to renew her registration effective 8/31/2027.

2. Identify Observed Strengths Of The Program

Kristi has lots of experience in child care and is very conscientious in her approach to her operation. I observed the children were very comfortable in their environment and responded well to Kristi. She describes her strengths as being a good multi-tasker, patient, and offers good attention to the children. Kristi describes her curriculum as lots of free play mixed with regular activities, workbook pages, music, crafts, and lots of outside time. The group was walking back from a local park when I arrived, taking advantage of the cooler, early morning weather. Kristi's child care only environment offers a good variety of play spaces and experiences. She participates in the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

Kristi is in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Kristi was in compliance having a plan consistent with her current operation.

I encourage Kristi to work with Shelby Hageman from Child Care Resource and Referral with any ongoing compliance or training needs.
Shelby can be reached at: (319) 433-7760

Kristi had on infant under 12 months of age in care during our visit who was awake. We reviewed safe infant sleeping policies.
