CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Jessica has been a registered childcare provider since August 2008. Jessica is a category C2 childcare and her co-provider is Kaylee Truitt. Jessica's childcare hours are 6:00am to 6:00pm Monday-Friday. Jessica cares for children from 6 weeks to 12 years of age. Jessica's childcare is located on the lower level of her home, which has a walk-out basement and a full kitchen. Jessica participates with CCR&R and is working on IQ4K.

2. Identify Observed Strengths Of The Program

During the compliance visit, Jessica and Kaylee were caring for 12 children. The children were finishing up with story time and getting ready for lunch. Jessica cares for some preschool aged children, so they ate lunch first so they could get ready to go.

Jessica's home/childcare is located in the country, so she has a large yard with no cars/traffic. Jessica says that she likes the children to enjoy experiences and learn through play. Jessica says that they do daily arts and crafts and daily story time.

Jessica says that she has very positive relationships with the families she serves. Jessica believes another strength of her program is the long hours that she is open.

3. Identify The Aspects That Fall Below The Standard

110.8 (4) b : Procedures are in place for: Evacuation to safely leave the facility, Relocation to a common, safe location after evacuation, Shelter-in-place to take immediate shelter where the child is when it is unsafe to leave that location due to the emergent issue, Lock down to protect children and providers from an external situation, Communication and reunification with families, Continuity of operations, and Procedures to address the needs of individual children, including those with functional or access needs.

1. Jessica was unable to locate her Emergency Preparedness Plan during the compliance visit.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. Jessica needs to locate her EPP and send text photos to SW Bailey by 4/1/26. Jessica will need to assure that the EPP is up to date and appropriate.

5. Special Notes/recommendations

Targeted Compliance: Emergency Preparedness Plan
