d. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician

1. The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.

2. The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.

3. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.

4. The examination report or statement of health status shall be on file before the child's first day of care

e. For children under the age of 6,a statement of health condition signed by a physician

or designee submitted annually from the date of the admission physical. For a child who is enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
f. For each school-age child, on the first day of attendance, documentation of a physical examination that was completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.
h. For any child with allergies, a written emergency plan in the case of an allergic reaction. A copy of this information shall accompany the child if the child leaves the premises.
i. Documentation that is signed by the parent and names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.
j. Written permission from the parent for the child to attend activities away from the child development home.**k.** Injury report forms documenting injuries requiring first aid or medical care
l. If the child meets the definition of homelessness as defined by section 725(2) of the McKinney-Vento Homeless Education Assistance Act, the family shall receive a 60-day grace period to obtain medical documentation.

Findings:

441 IAC 110.9(1)“a” All children residing in the household must have medical documentation outlined in 110.9(4) “d”, 110.9(4) “f”, and 110.9(4) “g”

Documentation of current physical examinations is need for the provider's children.

441 IAC 110.9(4) Children’s files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

b. Emergency information including where the parent can be reached, the name, street address, city, and telephone of the child’s regular doctor, and the name, telephone number, and relationship to the child of another adult available in case of emergency.
c. A signed medical consent from the parent authorizing emergency treatment.
d. For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child’s first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child’s first day.
e. For infants and preschoolers: A statement of health signed by a physician submitted annually.
For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of statement of health or admission physical.
f. For each school-age child, record of a physical exam completed at the time of school enrollment or since.
g. A signed and dated immunization certificate provided by the state Department of Public Health.
h. Written emergency plans for children with allergies. Must accompany child if away from facility.
i. Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
j. Written permission from the parent(s) for their child to attend activities away from the child development home.

Several of the daycare children need updated documents in their files.

Suggestions/Recommendations:

A re-check is not needed at this time, corrections need to be made by 9/27/24 and will be reviewed at the next annual compliance check.

I encourage you to work with Christa Jergens from Child Care Resource and Referral with any ongoing compliance or training needs.

Christa can be reached at (515) 201-7203

Corrective Action Required:

Please provide documentation of current physical examinations for your children.

Please update the daycare children's files as needed.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at djaehrl@dhs.state.ia.us if you have any questions regarding this letter.

Sincerely,

Dave Jaehrling
