Licensing Consultant: Amy Lyons **Date:** 03-16-2023

I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

Not applicable.

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

Hand in Hand operates multiple programs throughout the community and has been in operation for 21 years. Specifically, Hand in Hand - Westfield is located inside Westfield Elementary School which is part of the Linn Mar Community School District. Hand in Hand - Westfield commenced operations in September 2007. Hand in Hand – Westfield is a profit program which operates year-round Monday through Friday 6:30am to 6:00pm. During the summer, full days of emergency closing (e.g. snow day), and some breaks (e.g. winter break, spring break), this program has the ability to combine with other Hand in Hand sites. Hand in Hand - Westfield serves school-age children. Current enrollment is 50.

Hand in Hand multi-site owner/director is Kathy Kolthoff. Ms. Kolthoff holds a degree in Early Childhood Education and Business Management. Ms. Kolthoff has achieved the National Administrators Credential (NAC) and is a member of National Association for the Education of Young Children (NAEYC). Hand in Hand multi-site management personnel includes Ms. Sara Swestka who has been with Hand in Hand for over 20 years. Ms. Swestka holds her Bachelor of Art degree in Elementary Education and Early Childhood Education. Ms. Swestka has many years of experience working with children, continues to participate in much child development related training, and has achieved NAC. Hand in Hand multisite curriculum specialist Katie Simmons has been with Hand in Hand for over 17 years, and specifically, been part of the management team since 2011. Ms. Simmons has an AA degree in early childhood education, has much experience working with children, and continues to participate in child development related training. Hand in Hand multisite school-age coordinator is Katie Little. Ms. Little has been with Hand in Hand since December, 2017. Ms. Little has a BA degree in nursing, an AA degree in marketing management, over 6 years of experience working with children, and continues to participate in much child development related training. Site specific on-site supervisor of Hand in Hand - Westfield is Samantha Armbrust. Ms. Armbrust has been the on-site supervisor since November 2022. Ms. Armbrust has a BS degree in education, over 6 years experience working with children and continues to participate in much child development related training.

On 3/13/2023, program space was observed.

III. IDENTIFY THE OBSERVED STRENGTHS OF THE CENTER:

Hand in Hand offers a variety of early learning/childcare programming options to help meet the needs of children and families in the community.

The year 2023 marks Hand in Hand's 21st year of providing childcare and early learning services to children and their families throughout the community. Congratulations on celebrating 21 years! Specifically, Hand in Hand - Westfield will be in their 16th year of operation during 2023.

The philosophy of Hand in Hand is to "…understand your needs and your child's needs and offer convenient options....that go way beyond after school needs...offers a variety of activities that promote life skills such as teamwork, sportsmanship, creativity, and leadership..."

Hand in Hand has the following website for families and the community to learn more about their programs: http://handinhandinc.com/.

Hand in Hand has a history of participating in quality initiatives including local quality initiatives.

Founding original owner Ms. Kolthoff is a local entrepreneur invested in the local and surrounding communities. Ownership and management of Hand in Hand has remained consistent. This includes owner Ms. Kolthoff, management personnel Ms. Swestka, curriculum specialist Ms. Simmons, school-age coordinator Ms. Little, and specific on-site supervisor. Management is extremely organized, and in turn, the program operates smoothly. Hand in Hand has noteworthy systems of organization in place to help ensure administrative items are completed and maintained as required. Management is knowledgeable of licensing guidelines as well as their own policies and procedures. Management has completed NAC training.

Management team continues to be mentors throughout the community as well as part of an online innovative national director social media group. Hand in Hand management team also continues to be part of a local task force known as "Building Community Childcare Solutions" which examines childcare needs and solutions. In 2021, Hand in Hand management team established an optional monthly employee wellness challenge to help focus on lowering stress and maintaining a healthy lifestyle. In 2022, Hand in Hand undertook the immense task of establishing a company-wide unique online process for staff onboarding, training, and continuous transfer of knowledge. This also lead to an updating of the company's Employee Manual and a new Lead Teacher Manual both of which have become part of the company's online staff onboarding program.

Since the last monitoring visit, Hand in Hand - Westfield has retained as well as hired some new staff. In November 2022, Ms. Armbrust became this site's new on-site supervisor. To help support employees, management has established an annual staff requirements calendar book with necessary forms, materials, and so on as well as a quarterly employee newsletter that includes helpful policy reminders and tips and classroom tools/resources. Management continues to support employees through an accrued point system rewarding staff for their daily dedication, the ability to collaborate among all Hand in Hand sites to share materials, curriculum, joys, challenges, and ideas/planning, and staff incentives (e.g. childcare, snack cart, social media contests, wellness challenges).

Hand in Hand - Westfield has a collaborative partnership with the school district. The school building and grounds are well maintained. School custodial staff, school administration, school nurse, and school food service personnel help ensure the children's space is sanitary and hazard free each day. The school kitchen is inspected at least annually by the health department. There is an AED on-site. The program has regular access to the school gymnasium for large gross motor activities.

Hand in Hand - Westfield has emergency plans, policies, and procedures in place which are annually reviewed and updated as needed. Hand in Hand sites have successfully navigated through historic local flooding (Flood of 2008), the 2019 Polar Vortex, the 8/10/2020 Derecho Storm event and 2019 pandemic. In 2023, Hand in Hand began monthly employee safety plan reviews focusing on a series of topics including first-aid, housekeeping, ergonomics, proper lifting, workplace violence, and slips, trips and falls.

Hand in Hand - Westfield continues efforts at optimal communication between the program/staff and families. The program has an organized parent-staff/program information center, offers regular program newsletters, utilizes technological communication resources, and supports family programming activities. Hand in Hand - Westfield supports a character counts curriculum offering experiences in teamwork, sportsmanship, leadership and creativity. Curriculum includes a reading incentive program called "Reading Rainbow" and homework time/assistance. Summer camp 2023 registration is underway. The 2023 summer camp theme is "These Are the Days We Will Remember". Summer programming will include off-site field trips, theme based activities, Rainbow Reading and in-house events.

Hand in Hand collaborates well with many community partners including local small businesses, local school districts, health professionals, and other childcare owners/directors (locally and nationally).

Hand in Hand – Westfield supports a “safe shoe” policy to encourage ease of play.

Each child is engaged in a daily health check upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. The program has policies and procedures in place for hand washing, cleaning, disinfecting, and sanitizing.

On the day of the monitoring visit, staff were nurturing and attentive to the children's needs. Evidence of the prior week's child gardening experience (individually decorated planters with chive seeds waiting to emerge from the soil) was observed! Children were seen with an array of materials that encouraged innovation and creativity (e.g. card games, imaginative play supplies, Lego building). Activities observed were many (e.g. unique child-crafted kaleidoscope experience, small group

board game play, large gross motor games, group trivia event). Staff provided a companionable presence while allowing children to have choice in their programming experiences. Routine transitions (e.g. clean-up activities) worked smoothly into the program's welcoming and cooperative environment. Staff were overheard providing children with many words of encouragement and offering positive redirection when needed. Children responded well to staff and appeared to be truly enjoying their day.

IV. IDENTIFY THE ASPECTS OF OPERATION THAT FALL BELOW THE STANDARDS REVIEWED:

None noted.

V. SPECIAL NOTES/RECOMMENDATIONS:

Continue to ensure children's personal items are stored separately and off the floor.

If equipment on the outdoor playground is noted as being damaged, please continue to note use until repairs or replacement has been made.

_____

The program's license remains in full status. Thank you for the visit.

*Note: If you are the Child Care Center Director and you feel something is unclear or unjustly cited, please contact your DHS Licensing Consultant to discuss the issue. The child care director may also send a response which will be placed in the licensing file.

*Note: If you are a member of the general public, there may be additional information contained in the public file. You may contact the DHS Licensing Consultant to inquire.
