1. Basic Overview

Hindio Hassan has reapplied to become a registered category "A" Child Development Home Provider. She originally became a registered CDH provider in December of 2007. She closed her registration voluntarily in September of 2023. Being a category "A" Child Development Home Provider allows her to have 6 preschool children with an additional 2 school aged children in her care at one time. Hindio will accept all ages of children into her care, including infants. Hindio does not transport children in her care. There are no pets in the Child Development Home. Care is provided on the main floor of the home, care is not provided in the basement or second story of the home. Hindio will be available 7 days a week 24 hours a day to provide care for families.

2. Identify Observed Strengths Of The Program

Hindio has completed all the required trainings to become a category "A" Child Development Home provider, including Safe Sleep training. Hindio will implement Safe Sleep practice in the CDH when she has an infant 12 months in her care. Hindio has appropriate safety locks and gates for the Child Development Home. Children in Hindio's care will receive regular meals and snacks while in her care. Hindio uses communication with parents, redirection, and quiet time for behavioral interventions. Corporal punishment is not practiced in the Child Development Home. Hindio's availability to care for families allow her to care for families with non-traditional schedule needs.
