CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Lebe Kpodu is a CDH Category A provider, living in Des Moines. She has been a registered daycare provider since 2025. Lebe has one approved child care assistant. Diana lives in a ranch style house and uses her whole house of her child care operation. Lebe's basement is a walkout.

2. Identify Observed Strengths Of The Program

Lebe Kpodu was organized for our compliance check. Lebe has not provided care for any daycare children, since becoming registered. Lebe has a full time job during the day, but is willing to change her hours, if a family needs childcare. Lebe was able to find her trainings. We reviewed safe sleep regulations. Lebe would need a crib/pack and play prior to taking an infant. Lebe has toys and activities for daycare children. We reviewed that if Lebe starts providing care, she will reach out to CCR&R to get help with child files.

3. Identify The Aspects That Fall Below The Standard

At the time of my compliance visit, Lebe was in full compliance.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
