CHILD CARE ANNUAL EVALUATION

1. Basic Overview

I conducted a compliance visit with Registered Child Development Home Category B provider Kristelyn Trujillo on 4/13/2026. Kristelyn has been involved with child care for 16 years. She continues using the main floor only of her split foyer home. Her primary space is a large open great room that includes the kitchen, dining room and living room. Kristelyn had 6 children present during my visit and cares for a total of 9 children at this time. She has no HHS-approved assistants or substitutes. Kristelyn has 2 dogs, both with current vet statements on file. She has a fenced in back yard for an outside play area. Kristelyn just renewed her registration last month and is good through 2/29/2028.

2. Identify Observed Strengths Of The Program

Kristelyn displayed excellent multi-tasking skills during my visit. She describes her strengths as organization and maintaining a regular routine with the children. She is very consistent in making sure the kids get at least 1 hour of physical activity each day whether inside our outside. They regularly spend lots of time outside as weather permits. Kristelyn describes her curriculum as free play balanced with regular circle times, learning times, reading, arts, and crafts. Kristelyn has made steady gains in keeping all of her compliance stuff in order, and her files were all current. She participates in the Food Program to enhance the nutrition of her meals and snacks.

3. Identify The Aspects That Fall Below The Standard

Kristelyn was in compliance at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

N/A

5. Special Notes/recommendations

The 2026 targeted compliance for the Emergency Preparedness Plan was conducted. Kristelyn was in compliance with a plan consistent with her current operation.

I encourage Kristelyn to work with Kathy Lloyd from Child Care Resource and Referral with any ongoing compliance or training needs.
Kathy can be reached at: (319) 231-9405

Kristelyn had one infant under 12 months of age in care who was awake during my visit. We reviewed safe infant sleeping policies and she has pack-n-plays for napping.
