1. Basic Overview

Victoria Mohn is a CDH Category A provider, living in Altoona. She has been a registered daycare provider since 2024. Victoria lives in a ranch style duplex and uses the main floor for her child care operation. Victoria speeks mano.

2. Identify Observed Strengths Of The Program

Victoria Mohn had no children present when I arrived for my compliance visit. Victoria has four children that attend her child care, ranging in ages 3 years old to 4 years old. Victoria offers 24 hour care. Victoria uses redirection and talking for discipline. We reviewed all safe sleep regulations. Victoria does not currently have any infants enrolled but does have a pack and play if needed. Victoria said the daycare children like to play with toys and play outside.

CHILD CARE ANNUAL EVALUATION

3. Identify The Aspects That Fall Below The Standard

You were unable to locate your mandatory reporter training.
You were unable to locate your CPR training
Emergency numbers posted for police, fire, ambulance, and poison information center.
Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible by the working telephone.
110.8 (1) g : Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.
Fire and tornado drills are practiced monthly and documentation kept on file for the current year and previous year.
110.9 (1) a : Within six months of becoming registered, a physical exam report documented on form 470-5152, Child Care Provider Physical Examination Report, for all household members over the age of 18. Physical exams should be repeated every three years.
Within six months of becoming registered, children 18 years of age or younger residing in the household must have:Admission physical exam report.Immunization certificate.For school age: Documentation of physical exam completed at time of school enrollment or since that time.
110.9 (4) d : For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.
For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian or admission physical examination that is not more than 12 months from the child's first day.
110.9 (4) e : For infants and preschoolers: A statement of health signed by a physician submitted annually.
110.9 (4) g : A signed and dated immunization certificate provided by the state Department of Public Health.
110.9 (4) i : Documentation signed by the parent which names persons authorized to pick up the child, their telephone number, and relationship to the child.
110.9 (4) j : Written permission from the parent(s) for their child to attend activities away from the child development home.
110.9 (4) k : Injury report forms to document injuries requiring first aid or medical care.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance

1. You were unable to locate your CPR and mandatory reporter training. CCR&R can help you locate trainings if you need assistance.
2. Please hang up your emergency numbers for police, fire, ambulance, and poison information center.
3. Number for each child's parent, a person who can be reached when the parent cannot and child's physician is written on paper and readily accessible
4. You need a new fire extinguisher. It needs to be a 2A 10BC fire extinguisher.
5. You need an updated physical. This needs completed on the state required form and done every 3 years.
6. All household members under the age of 18 years old need updated physicals on any physical form.
7. Please review all daycare children files to ensure they have the required documentations- emergency contact information, pick up and drop off information, emergency medical consent, current physical and immunization records. Physicals need updated yearly.

5. Special Notes/recommendations

I encourage you to continue working with Heather Sheesley from Child Care Resource and Referral for any ongoing compliance or training needs. Heather can be reached at: (515) 360-7308.

Emergency preparedness plan met targeted expectations.
