Suggestions/Recommendations:

The Child Development Home needs to have a First Aid Kit in the home. See above for the required items in the First Aid Kit.

There needs to be an Emergency Preparedness Plan available describing what actions you would take in case of an emergency. I have emailed your CCR&R Worker (Roxana Sixtos) to assist you with this.

The Primary Provider File needs to have certificates of completion for Mandatory Reporting and CPR trainings. These can be available electronically if needed.

Ericlyn, your sub/asst needs to have certificates of completion for Essential, Mandatory Reporting, and CPR trainings in her file or available electronically.

The side steps going up to your home needs to be repaired.

Corrective Action Required:

A re-check is not needed at this time, the above corrections need to be corrected by 10/15/2023. The corrections will be checked on your next annual compliance check.

I encourage you to work with Roxana Sixtos from Child Care Resource and Referral to make the above corrections and any other compliance or training efforts.

Roxana can be reached at 515-202-1310.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 515-601-9469/jaring@dhs.state.ia.us if you have any questions regarding this letter.
