Your CCR&R representative is Deb Martens. Her contact information is (712) 755-7381.

Corrective Action Required:

In regards to the start of 2024 documentation of smoke detector checks and drills. Start documentation in Feb 2024 and complete the remainder of the year. If you are in need of a tracking sheet, you can use a piece of paper, document in your digital calendar, or print off the available DHHS form.

In regards to the children's files, work with your families to receive the updates needed for these files. For any child that attended in 2023 and you did not receive an updated physical, start with those parents and request the updated forms. In the event that the medical office will not fill out the DHHS physical form, a copy of the child's visit summary is accepted.

No forms are necessary to send into compliance for verification.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.
