## CHILD CARE ANNUAL EVALUATION

**1. Basic Overview**

Olympia Genus is applying to be a registered, Category A daycare provider. Olympia plans to only provide daycare for infants, toddlers and preschool age children, no school agers. Olympia has a 3-year-old daughter and a 22-year-old son residing in the home. Olympia reports that her son is only staying with her temporarily. Olympia is also in the process of becoming a licensed foster care home.

**2. Identify Observed Strengths Of The Program**

Olympia was prepared for the visit and had most of the compliance tasks completed. Olympia recently made some purchases from someone who is a retired daycare provider, including cots and small chairs.
