CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Kris has been involved in providing child care for over 36 years. Kris originally became a registered child care provider in 1993. Kris accepts children aged infant through preschool. Kris' hours of operation are Mondays through Fridays from 6:30 a.m. - 5:00 p.m. Kris is not currently accepting new enrollments. Kris provides a structured, calm learning environment for children. Kris strives to create an atmosphere where the children know they are wanted and loved and always safe.

2. Identify Observed Strengths Of The Program

Kris believes her greatest strength in working with children is her ability to let things roll off her back. Kris has learned the importance of ignoring behaviors. Kris has a beautiful environment that is separated by ages and stages. Kris has a separate area for infants to explore their environment safely. Kris uses one of the child care management systems, Playground, to assist with record keeping and communicating with families. Kris is a participant in the CACFP food program for child care providers. Kris works well with collateral resources, specifically Child Care Resource and Referral. Kris keeps her paperwork organized making it easy to locate required compliance items each year. If needed, Kris seeks exceptions to policy to stay in compliance with regulations surrounding number of children and/or ages of children in care.

3. Identify The Aspects That Fall Below The Standard

None noted - fully compliant with regulations at this time.

4. Any corrective action plans, provisional license, and safety plans-steps to get into compliance
