CHILD CARE ANNUAL EVALUATION

1. Basic Overview

Beuline Bucumi has been a registered provider since November 2009. Beuline is currently a category "A" Child Development Home Provider. This category allows the provider to have 6 preschool children with an additional 2 school aged children in care at one time. Beuline currently does not have any families on her roster. Beuline is available for care 24 hours a day 7 days a week. There are no pets in the Child Development Home. Beuline does not provide transportation for families in her care. Beuline does not have an assistant or substitute for her program.

2. Identify Observed Strengths Of The Program

Beuline's home is clean, sanitary, and appropriate for childcare. Beuline has completed her required trainings as reviewed by the Registration Unit. Beuline has completed Safe Sleep training; this worker reviewed the policy with her and the translator. Beuline will implement the practice when she has children 12 months or younger in her care. Beuline uses processing behavior choices and redirection as her primary behavioral interventions when needed. Corporal punishment is not practiced in the Child Development Home. Children in Beuline's care will receive regular meals and snacks as appropriate. There is an outside space the children can access when the weather allows.
